

MATERNITY NON-AVAILABILITY STATEMENTS for NON-PRIME BENEFICIARIES

TRICARE *Standard* beneficiaries wishing to receive maternity care in the civilian community will not require a Non-Availability Statement (NAS) **after** 28 December 2003.

If you begin maternity care **prior** to 28 December 2003 your care **will not** be paid without the Non-Availability Statement.

Maternity care begins with the first prenatal visit after confirmation of pregnancy and continues until 42 days following the delivery.

If you have any questions please, contact the TRICARE Service Center at (843)525-9415 or Managed Care at (843)228-5506. Additional information is also available on line:
